## VOTING EXCLUSION

The Company will disregard any votes cast in favour of Resolution 1 by any director of the Company and their associates. However, the Company will not disregard a vote if it is cast by an above-mentioned person:

- (a) who votes in accordance with the directions on the proxy form, or
- (b) if it is cast by that person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

## EXPLANATORY NOTES

1. Singapore law requires that an annual report be given to shareholders at least 14 days before the date of the annual general meeting which is on or before 25 October 2020. However, the Company will issue the 2020 Annual Report no later than **13 October 2020** and it can be downloaded from the Company's corporate website ([www.asaplusresources.com](http://www.asaplusresources.com)) under the About Us | Downloads section or from the ASX announcements page from that date. If you wish to obtain a printed copy of the 2020 Annual Report, please inform the Company by e-mail (E-Mail: [info@asaplusresources.com](mailto:info@asaplusresources.com)).

2. Resolution 1

Singapore law requires that directors' fees be approved by Shareholders. If this resolution is approved, the amount of directors' fees payable to each director shall be determined by and among themselves.

3. Resolutions 2

Article 92 of the Company's Articles of Association provides, inter alia, that a director must retire from office or seek re-election no later than the third annual general meeting following his or her appointment or election and that this regulation does not apply to the managing director. Accordingly, ONG Yih Ching will retire under Article 92 and, being eligible, offers himself for re-election as a director.

Resolution 2, if passed, will re-elect ONG Yih Ching as a director of the Company. If re-elected, ONG Yih Ching will continue to be an independent non-executive director of the Company.

4. Resolution 3

MGI Singapore PAC was appointed auditors of the Company on its incorporation. Singapore law requires that:

- (i) auditors appointed on its incorporation hold office only until conclusion of the first annual general meeting; and
- (ii) the Company at every annual general meeting appoint auditors to hold office until the conclusion of the next annual general meeting.

The border closures implemented by the government of China (where the Group's operations are located) and travel advisories issued by the government of Singapore (where the Company is incorporated) in response to the Covid-19 pandemic had caused practical and logistical difficulties for the Company's auditors to perform their fieldwork for the review

of the Group's half-yearly financial report and the audit of the Group's full year financial report. In view of this, directors believe that the Company should appoint as auditors a firm with in-country resources in China.

MGI Singapore PAC has advised the Company that it does not have in-country resources in China and therefore will not be seeking re-appointment as the Company's auditors at this upcoming annual general meeting.

Directors are proposing that the Company at this upcoming annual general meeting appoint Pan-China Singapore PAC (**PCS**) as auditors of the Company. PCS is a member firm of Pan-China International, a China-centric global network of independent accounting and consulting firms which was ranked as the 18th largest accounting network in the world according to the World Survey 2018 of International Accounting Bulletin. Therefore, directors believe that PCS will be well suited to act as the Company's auditors and advise that shareholders vote in favor of their appointment.

5. Resolution 4

Singapore law requires that the issue of any new shares or securities be approved by Shareholders of the Company. The proposed resolution, if passed, will empower the directors to:

- (a) issue such number of shares and/or convertible securities representing up to 15% of the Company's existing share capital by way other than on a pro-rata basis such as private placements or other means of selective issue of shares;
- (b) issue such number of shares and/or convertible securities representing more than 15% but less than 50% of the Company's existing share capital by way of an offer on a pro-rata basis such as a bonus issue or a rights issue.

The total number of shares and/or convertible securities which the directors may issue pursuant to this mandate can not exceed 50% of the Company's existing share capital at the date the resolution is passed.

For the avoidance of doubt, this proposed resolution is not intended to be nor does it seek shareholders' approval:

- (A) to issue shares under Listing Rule 7.1; or
- (B) to issue shares to a related person under Listing Rule 10.11; or
- (C) to issue shares and/or convertible securities to related parties such as directors of the Company and their associates.
